

# Aluminium Replacement Safety Mirror Cover for Isuzu Trucks

## Mirror Cover

Part number: NH 2001  
FITS LEFT AND RIGHT SIDE

The Aluminium Replacement Safety Mirror Cover for Isuzu Trucks is designed to fit over the existing plastic original protecting it from flame, heat, and impact damage. The original plastic mirror housing is particularly prone to warping beyond repair under heat as shown here.

The Aluminium Replacement Safety Mirror Cover is simple to instal and prevents this type of damage.

The NH 2001 Mirror cover fits both left and right hand sides and is generic and fits all Isuzu truck models.
